Effective Sunday February 13th as voted on by
Mellingers Church Council on Thursday February
10, 2022:

It has been decided to return to the prior
protocols before the January 13, 2022, meeting.

Masks are optional for the vaccinated.

Parking Lot service will continue.

We will return to signing
(still just 2 verses to two hymns) and singing the
liturgy.

Communion will be returned to cubed bread with
tongs and wine instead of the disposable cups.

The Children's Sermon will be held again during
service.

Sunday School will commence again as well.
